2.	(N 52/E 71), were still in a summer camp, allegedly in Zeithain, on 2 September 1950. The guardhouse, the utilities room and only one 25X1 floor of one barracks building were lighted in the evening. * Supply motor vehicles observed at the barracks  The repair shop company in the barracks at the airfield was still at the 25X1 post on 2 September 1950. Three or four tanks needing repair arrived there weekly. either being towed or under their own power. Motor vehicles 25X1 were observed on the premises of the repair shop company. **  25X1  Comment. The report indicates that the component units of the 9th Tank Div from Oschatz had not returned to their post on 2 September 1950. They presumably went to the troop training grounds of Zeithain and Koenigsbrueck in the spring of 1950, according to previous reports										5X1
